**Emissions:** The information is guidance on how environmentally friendly the vehicle is and if a fee or rebate applies based on the CO<sub>2</sub> emissions. The lower the emissions - the higher the rebate, the higher the emissions - the higher the fee. Vehicles are only eligible for a rebate if sold for less than \$80,000 including GST and on road costs, and have a 3-star safety rating or above. The fees and rebates in this notice are estimates and only apply to vehicles the first time they are registered in New Zealand. The amount of the fee will be confirmed at the time of first registration in New Zealand and the rebate will be confirmed on application.

**Energy Economy:** The information is intended for comparative purposes. Data is based on standardised testing that allows consumers to directly compare the emissions and fuel consumption of different vehicle makes and models. Your actual cost per year, energy economy and/or EV range will vary for many reasons including driving styles, traffic and weather conditions, vehicle loading, vehicle maintenance and tire pressure.
